

## Artist's Attic

### First Community Artist Spring Sidewalk Event (FCASSE)

For Professional Artists, Authors, Musicians

#### Event Information

The Artist's Attic at 930 Broad Street, Camden, SC is a well-known feature for the local arts community on the main thoroughfare in Camden. Currently there are 15 professional artists that operate the exhibit space and studios. Artist's Attic is looking for local professional artists who wish to exhibit at Artist's Attic on the sidewalk on a Saturday listed below. This does NOT include indoor exhibit space or studio space. Artist's Attic will post the events to multiple local social media sites. This will include the artist, photos of their art and the date/time of the sidewalk show. Artist's attic is one block from the Kershaw County Farmers market, so Saturday traffic on the main thoroughfare is good.

Artist can set up at designated location under the awning by 10 am and break down after 3:00 pm. The location of the space is next to the alley in front of the window. Doorway, crosswalk and sidewalk cannot be blocked. Parking is on King Arthur Lane or Broad Street for easy unloading/loading. The space fits one 8-foot table. Artist's Attic Hours are 10-4 on Saturdays. Tents are **NOT** allowed. **There is no electricity.** Artist is responsible for collecting and paying sales taxes. Please be respectful and remove all trash upon leaving. No advertisement of other art venues is allowed. If the day is rained out, we will work with the artist to reschedule to another Saturday.
